Elk Point Outreach School Graduates of 2011

Elk Point Outreach School's 2011 graduates, left to right, are Kyle Benson-Pelletier, Ramona Brand, Brittany Gadwa, Nichole Laboucane, Tonia McQuinn, Kaitlin Orr and Dilon Strahl, a class Principal Janice Muench called "truly unique.. simply amazing young adults," in her Success Celebration address on Saturday evening.

By VICKI BROOKER
Review Staff

Elk Point Outreach School celebrated the success of their students on Saturday evening in a heartwarming ceremony with seven graduates in the spotlight.

Four students in grades seven through 11 were also honoured at the beginning of the program. Grade 11 student Damien Pelletier received the Good Reader award and recognition for his skill in basketball, track and badminton and achieved honours in literature, English and language arts. Chantal McQuinn, Grade 9, had honours in social studies, Kuna Gadwa, Grade 8, honours in social studies and Justin Cardinal, Grade 7, honours in language arts and an award for excellent attendance, not missing a single day all year.

"A year ago, it was me sitting on the stage" mistress of ceremonies Brittany Bzowy told graduates Kyle Benson-Pelletier, Ramona Brand, Brittany Gadwa, Nichole Laboucane, Tonia McQuinn, Kaitlin Orr and Dilon Strahl as the ceremony got underway. "I had never realized how important education was. I had thought making money was more important, and I was reluctant to go back and finish high school. I was stubborn, even though I knew deep down that (those who said I should finish) were right. When I finally made the decision, the people at EPOS welcomed me with open arms. Without the extra push, I wouldn't be standing in front of you today. Now I have a career as an educational assistant, and I wouldn't have that without the support of my family and the unfailing support of the EPOS instructors." She urged the Class of 2011 to "remember what brought you to EPOS. Remember why you came, and give this school the gift of your gratitude."

Graduands Ramona Brand and Kyle Benson-Pelletier gave the class history, introducing each of their classmates and offering some insight into their lives.

Stoney Lake celebrates the cowboy way

By SHAUNA BURKE
Review Contributor

Stoney Lake community held their annual Farmers Day Picnic on Saturday, starting with a free lunch, followed by a ranch rodeo and a youth ball tournament in the afternoon. In the evening everyone gathered for a jamboree.

"The cowboy way will always be around, it will never go away because it will always be needed in one way or another," said Kevin Wirsta, president of the Stoney Lake Community Association.

Wirsta explained that a ranch rodeo is different than other rodeos in that the events are those used on the ranch, such as sorting and

doctoring cattle. The rider must try to move the cattle in an orderly, calm manner without stressing the animal, the way it was done in the past.

It's not an easy task as the cows were provided from a feedlot and have had very little exposure to people and horses so the animals were nervous and not sure what they should do.

Wirsta owns K-Cow Ranch near Stoney Lake and said that herding cattle on horseback is still an important skill. Cattle are mostly herded by truck or quad but Wirsta explained that there are certain pastures and places where horses work better than machines.

Because skill and knowl-

edge of how to handle animals is important in a ranch rodeo, participants aged 12 to over 60 competed side by side.

Team Sound Advice, consisting of Byron Lonsberry, Kyla Mathews, Deanna Lonsberry and Corey Styba took first place overall and each received a cap, a cup and \$80 cash. The team placed first for Cattle Penning with a time of 1:23 minutes and Trailer Loading with a time of 1:22 minutes.

Coming in second place was the Whatever Bunch, consisting of Roy Mahon, Jack Mahon, Ken McKinney and Kristy Knudson. They took first place for cattle doctoring with a time of 2:34 minutes.

(Continued on Page 7)

Kevin Wirsta, president of the Stoney Lake Community Association, with the winning team, Sound Advice: Byron Lonsberry, Kyla Mathews, Deanna Lonsberry and Corey Styba. The ranch rodeo was held on Saturday afternoon at the annual Farmers Day Picnic.

EPOS celebrates success

(Continued from Front Page)

"We are so proud of you," principal Janice Muench congratulated the EPOS grad class. "You are simply amazing young adults, each one of you truly unique." She quoted, "Don't ask others how smart they are, but how they are smart. At your age, I didn't have it together. When I was 18, 19 or 20, I didn't know what I wanted to do with my life. The three young moms truly do shine, and on picture day, Kyle mentioned how proud he was to be part of this school."

That's the success of this school."

Muench concluded her remarks with praise for each of the grads, their style, their strong work ethic and their willingness to do what needs to be done.

"You've obviously done a great job," assistant superintendent of schools Paul Rivard told the class. "Your stories are unique, your passions are obvious. Persistence pays, and dreams can change the world." Offering congratulations on behalf of Central Office, he urged them, "Leave proud, and be sure to make a difference in the world."

St. Paul Education Regional Division board chair Darrell Youngmans added his congratulations as he presented a token gift from the Division to each of the grads.

"This is a milestone," Lorne Dustow, chair of Fishing Lake Settlement Council said. "Keep learning. If learning stops, everything stops. Be persistent, sometimes being stubborn is a good thing. Nichole, we are very proud of you."

Kehewin Chief Eric Gadwa congratulated the graduates and said, "It is truly a beautiful day for all of us. My wife, Linda, is a teacher and taught Brittany (Gadwa) in Grade 1. We were invited to different places this weekend to graduations of kids she taught in 1999. As a teacher, she built trust and gave students the responsibility to go on. I believe that is the purpose of a teacher and the best thing a teacher can achieve. Our biggest mandate is to bring our school to having good teachers." He noted that when he was first elected, he went to the school to address the teachers. "I wanted to have all Native teachers, and today we have 98 per cent."

Brittany Gadwa and Kaitlin Orr shared the role of valedictorian.

Class president Brittany said, "days have passed much too fast" as the end of the school year approached. She thanked the parents and guardians of the grads for their support, and added special thanks to Becky Dunham and Adrian Kiss, as well as to Amanda Wellier of Paradigm Esteem for her help with grad dresses and hall decorations.

"There was a time I couldn't wait for this day. Now it's here. Now it's time to go out there and give it your all," she told her classmates.

MC Brittany Bzowy had gifts of appreciation for Becky Dunham and Adrian Kiss for their part in her success.

Kaitlin echoed the sentiment. "In Grade 1, I said I couldn't wait to graduate. Now I want to go back. The future scares me. I am so proud of myself and of everybody sitting beside me. We made it! Here's us - the Class of 2011!"

In Heinsburg School, there is the passing of the colours, which includes a decorated feather, and at F. G. Miller High, the Crusader sword is passed to a member of the next year's graduating class. At EPOS, it's a sneaker-clad foot, in honour of the school's logo, the travelers, together on a journey. Nichole Laboucane passed the foot and good wishes for the coming year to Damien Pelletier.

Janice Muench and Adrian Kiss presented awards to the valedictorians, and handed out kits of various donated items from agencies and other sources to take the grads into their adult lives. The two then handed out academic achievement awards to Kyle, Ramona, Nichole, Tonia, Brittany and Dillon, and honours awards in math and Biology 20 to Kaitlin in addition to the academic excellence award. Nichole was also presented with a scroll and gift from Northlands School Division.

Damien Pelletier paid tribute to the teachers, Becky Dunham, who "exudes huge love and compassion. She's the glue in our school, she's Mrs. Outreach," and thanked Adrian Kiss, commending him on his "dedicated teaching. He's not just our teacher; he's our life coach, our confidant, the extra man on the field. It's Mr. Kiss' last year, he's decided to be a world traveler. We encourage him to enjoy, and we want him to know he'll be missed." He presented Kiss with an 'Amazing Teacher' award and "a gift to make your travels easier," luggage in an easy-to-pot colour.

Dunham introduced Kiss' replacement, Theresa Boratyniec, who said she is "looking forward to the new adventure, but Mr. Kiss will be hard to replace."

Darrell Youngmans returned to the microphone to give closing remarks.

"Tonight is all about you. You really inspired me with your responsibility and your dedication to finish your education. You have shown us what dedication and determination will do. Brittany (Bzowy), you made me realize what I am here to do. Without a doubt, you, the class, make us all proud, and proud to have played a small part in your endeavors."

This year our AGM will be held on **Wednesday, June 22, 2011** in our office board room located at 4802-50 Avenue in St. Paul

If you have any questions please call **780-645-5782 or 1-888-644-5782**

St. Paul steers win district 4-H show

By VICKI BROOKER
Review Staff

A 1378-pound steer shown by St. Paul 4-H Multi Club intermediate member Jazlyn Beaudin earned the Grand Championship slap on the rump from conformation judge Doug Roxburgh last Monday evening at the St. Paul 4-H District Interclub Show and Sale. The champion later sold to Top Yield Fertilizer for \$3.50 per pound. Dwayne Vogel presented Jazlyn with the Grand Champion banner from Prairie Tech Oilfield Services, while Heather Tymko presented the St. Paul District 4-H Council trophy.

The Reserve Champion honours, with a banner from Shamrock Valley Enterprises and the County of St. Paul No. 19 trophy, went to another St. Paul intermediate member, Roy Tymko, who later sold his 1372-pound steer to Xtreme Oilfield Services for \$2.60 per pound.

Steers shown by Brooke Corbiere, Ryan Jodoin, Taylor Jodoin and Kale Seguin of St. Lina, Taylor Robbie of Elk Point, Ian Brousseau, Larissa Lupul, Laura Plante, Amanda Galas and Shaina Vallee of St. Paul also advanced to the Parade of Champions from the weight class judging.

Finalists for showmanship and grooming were also chosen during the weight class round.

Grooming winners were (sponsors in brackets): junior - 1. Spencer Graling, St. Paul (Canadian Tire), 2. Devan Bailey, St. Paul (Century 21 Poirier Realty); intermediate - 1. Ryan Jodoin (Lakeland Family Eyecare), 2. Jazlyn Beaudin (Fountain Tire); senior - 1. Robyn Ockerman, Elk Point (Smyl Motors), 2. Ian Brousseau (Caouette and Sons).

Showmanship winners were: junior - 1. Spencer Graling (Agland), 2. Heidi Tymko, St. Paul (ATB Financial); intermediate - 1. Jazlyn Beaudin (Terry Holmgren), 2. Jamie Kuzma, St. Paul (TD Canada Trust); senior - Larissa Lupul (Servus Credit Union), 2. Ryan Corbiere, St. Lina (ATB Financial).

Colleen Prefontaine was the Grooming and Showmanship judge.

The 4-Hers participated in judging at both club and individual level. A Goodridge team, made up of Denis Mathiot, Jennifer Janz and Monica Mathiot, placed first in Club Judging, with St. Lina members Jenna Dechaine, Danica Corbiere and Taylor Dechaine placing

second, for awards sponsored by Evergreen Stationers and Wozniak Fuel Sales and the St. Paul Municipal Seed Cleaning trophy.

Individual judging, with prizes by Sunshine Video and the St. Paul District 4-H Council, went to senior members Stephanie Poulin, St. Paul and Ashley Mathiot, Goodridge, intermediates Nicole Tymofichuk and Mathieu Boucher, both of St. Paul, and juniors Devan Bailey and Brooke Corbiere. Card judging was scored by Terry Holmgren, Chris Boorse and Jason Boorse.

St. Paul Multi Club placed first and Elk Point Multi Club second in the Club Display, sponsored by St. Paul Municipal Seed Cleaning, with St. Lina placing first and St. Paul second in the Stall Display, sponsored by Viterra Feed Products. Cameron Horner and Wayne Horner judged both competitions.

This year's Rate of Gain award went to Sheldon Vallee of St. Lina, whose steer gained 3.46 pounds per day for the Master Feeds award. St. Lina placed first and St. Paul second in the Pen of Five competition, sponsored by TD Canada Trust.

A total of 68 steers sold for an average price of \$2.65. The top seller, at \$5.70 per pound, was the STARS calf, which was fed and raised by Norm and Sherri Corbiere and family,

in memory of Brittany Corbiere, who passed away following a vehicle crash last fall. She had been taken to Edmonton by STARS, and although she did not survive, four other individuals were given the gift of life through organ transplants. The STARS calf was donated by Monique and Dominique

Pelchat. Proceeds from the steer go to STARS.

Generosity did not stop there. A number of steers were donated to Haying in the '30s by their purchasers, and all the Elk Point members have pledged five per cent of their steer proceeds to the Slave Lake fire victims' fund.

SPECIAL MEETING

of the

GREENLAWN RURAL

ELECTRIFICATION ASSOCIATION

Tuesday, June 21, 2011 at the Dewberry Hall

Registration begins at 7:00 p.m.; Meeting at 8:00 p.m.

Your Board of Directors has called for a Special General Meeting regarding the future of the Greenlawn Rural Electrification Association and the possible sale of the REA assets to ATCO Electric. At this meeting an extraordinary resolution will be discussed and voted upon.

It is in the best interest of the future of electric service in our area that we encourage the membership to attend this Special General Meeting and participate in the vote.

If you have any questions please contact Larry at 780-847-2588

EDITORIAL

Seasons run together

Are the years getting shorter, or does it just seem that way?

The NHL had not yet declared the Stanley Cup champions when the year's first CFL Football exhibition games were held, and the NHL will be back in business before the World Series leaves the diamonds. Here at home, soccer and minor ball games are still happening as the parents of those players are hurrying off to register their youngsters for hockey.

Is this a reflection of the trend that has fall and winter catalogues coming out before we even get a chance to wear our summer clothing? Time flies, indeed!

WAY BACK WHEN...

Bridge opening, SPAA champions, Shop Local

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF JUNE 14 IN...

1986

Minister of Public Works Ernie Isley and MLA John Drobot used a mammoth pair of scissors constructed by Mayor Ed Buck to snip the ribbon officially opening the new Elk Point Bridge. Leanne Drobot showed the grand champion steer, Megan McCuaig the reserve champion steer, Lyle Yuschyshyn the grand champion heifer and Brian Ference the reserve champion heifer at Elk Point 4-H Club's achievement day.

1991

Lily Thomson showed the Heinsburg 4-H grand champion steer and C.J. Best the reserve champion at the club's annual achievement day. Elk Point chamber of commerce welcomed back two former longtime members, Irene Magnusson and Ron Barwick, who enjoyed lunch courtesy of the chamber, along with current members who had reached their senior years, at the chamber's Seniors Week meeting.

1996

F. G. Miller Crusaders boys brought home the SPAA junior fastball championship after a 15-8 trouncing of Glen Avon, the junior girls losing out to GA in their final. Elk Point Chamber of Commerce went back to their original two meetings a month after a three-month trial of holding one meeting monthly.

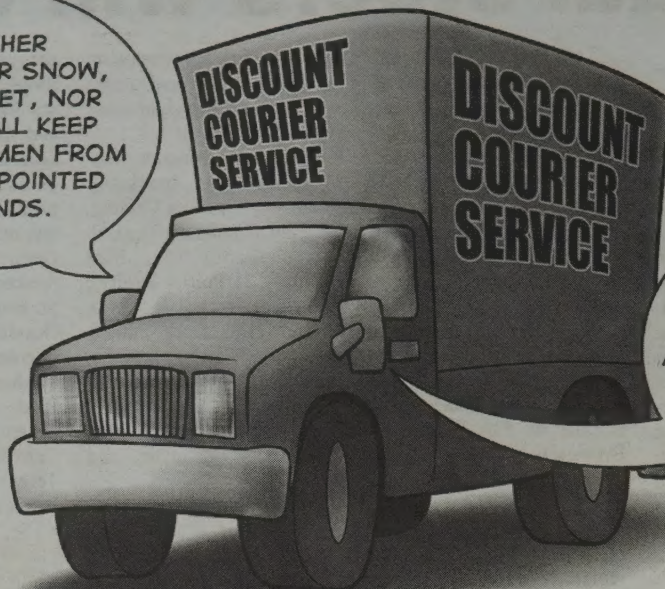

2001

A full slate of 90 golfers swung for STARS at the second annual Elk Point Emergency Services Golf Tournament, where Anadarko Canada employees presented STARS with close to \$10,500 in donations. Elk Point 4-H members won the Pen of Five trophy, Robyn Ockerman won Rate of Gain, Randy Wruth the Intermediate Showmanship and Marvin Ockerman the Junior Grooming at the St. Paul District Show and Sale.

2006

Elk Point's contributions to STARS Air Ambulance topped \$100,000 for the seven years of annual golf tournaments, which that year featured a fundraising draw that sent Kali Cousins, Jeffery Young, Tyler Ockerman and Sherry Wiadecka for a helicopter flight to view the town early on tournament morning. Elk Point Chamber's Shop Local campaign was off to a good start, with the employee and staff recognition event very well received and over 800 employees of member businesses receiving cards entitling them to five per cent discounts at 15 local businesses.

GUEST COLUMN

Important day

Today is Tuesday, June 14. It is an important day. On June 14, 2011, countries worldwide will celebrate World Blood Donor Day with events to raise awareness of the need for safe blood and blood products and to thank voluntary unpaid blood donors for their life-saving gifts of blood.

The theme for World Blood Donor Day 2011 is, "More blood. More life." This theme reinforces the urgent need for more people all over the world to become lifesavers by volunteering to donate blood regularly.

"The need for blood is universal, just like air or water," said Sharyn Whitman, CEO for the Indiana-Ohio Blood Services Region of the American Red Cross. "World Blood Donor Day provides the chance for all of us to recognize that blood is essential to healthcare across the globe."

World Blood Donor Day is celebrated on June 14 every year. It is jointly coordinated by the World Health Organization (WHO), the International Federation of Red Cross and Red Crescent Societies (IFRC), The International Society of Blood Transfusion (ISBT) and the International Federation of Blood Donor Organizations (IFODS). These partners join together in a global event to raise awareness of the need for safe blood and the importance of regular voluntary blood donation.

One question you could ask is: Why should I donate blood? The answer to this question is simple. Safe blood saves lives and improves health. Blood transfusion is needed for:

- Women with complications of pregnancy, such as ectopic pregnancies and hemorrhage before, during or after childbirth;
- Children with severe anemia often resulting from malaria or malnutrition;
- People with severe trauma following accidents; and
- Many surgical and cancer patients.

The Elk Point Review publishes a variety of opinions as a contribution to debate on matters of public concern. Unsigned editorials express the view of this newspaper's editorial board which includes the Publisher and the Editor. Signed pieces express the view of the individual writer.

deanna
EASTHOPE
from the FCSS desk

It is also needed for regular transfusions for people with conditions such as thalassaemia and sickle cell disease and is used to make products such as clotting factors for people with haemophilia. There is a constant need for regular blood supply because blood can be stored for only a limited time before use. Regular blood donations by a sufficient number of healthy people are needed to ensure that safe blood will be available.

Another question you could ask is: What does my blood get tested for and do I get the results? HIV, hepatitis B and hepatitis C, human T-lymphotropic virus and syphilis is what is tested. The tests are done automatically to make sure blood is safe. If you have been to a country where malaria and trypanosomiasis are prevalent, your blood will be tested for blood-borne diseases such as sleeping sickness. You will be told by phone or letter if your blood is infected.

Who can give blood? Anyone who is fit and well and over the age of 17 – as long as they are not pregnant, weigh over 50kg and have not had a tattoo or piercing, or had jaundice in the past six months, or traveled to an area which has malaria in the past six months. However, the National Blood Service has a list of countries and the time of the year when health risks exist. New donors must be 65 years of age or under. You should also only give blood once every 16 weeks.

So if you are interested in voluntarily giving your blood, you can go to the Mobile Clinic which will be at the Centennial Centre Field House 4313 – 50th Avenue in Bonnyville or July 5th from 4:30 p.m. to 8:30 p.m., or at the St. Paul Recreation Centre, 5310 – 48 Avenue in St. Paul on July 6 from 1:00 p.m. to 3:00 p.m. or 5:00 p.m. to 7:30 p.m.

As you review why June 14th is an important day don't forget that this coming Sunday, June 19th is also an important day. It is Father's Day and Dad's are important people in our lives. The following quote is from author unknown (taken from a church bulletin).

A Dad is respected because he gives his children leadership

A Dad is appreciated because he gives his children care
A Dad is valued because he gives his children time

A Dad is loved because he gives his children the one thing they treasured most – Himself!

Heinsburg Community School news

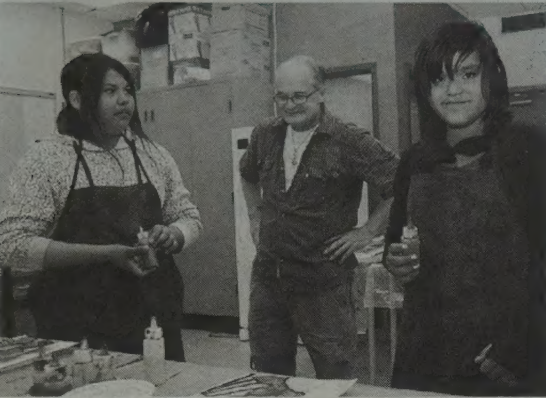

Photo submitted by Dan Peterson

Katelyn Saskatchewan, Herman Poulin (instructor), and Sunrise Moocheweines enjoyed taking part in the Artist in Residency Program.

By CHRISTINE HAYNEE
Heinsburg Community School

The students from kindergarten to Grade 12 were fortunate to participate in the Artist in Residency program for May 31 and June 1.

Artist and sculptor Herman Poulin from St. Paul taught students a variety of techniques with stained glass and sculpture. Heinsburg Community School very much appreciated Mr. Poulin for returning to our school and taking the time to introduce students to various art media. Mr. Ng and Mrs. Zayac organized this event.

The May Attendance Challenge was won by Ms. Haynee's Grade 4 and 5 class in the elementary and Ms. Paulo-Begg's Grade 7 class for the junior high and high school.

Students were awarded with the opportunity to throw a whipped cream pie at one of the administrators for achieving top attendance. Mrs. Sanders, Mrs. Stubbs, and Mrs. Goddard organized the event and Mr. Youngmans, Mr. MacDonald and Mr. Ng bravely agreed to be the targets for the students.

Congratulations, students!

Students Against Drinking and Driving

By DARYLE FISHER
Heinsburg Chapter President

Heinsburg Students Against Drinking and Driving recently made a stand in their community by erecting a S.A.D.D. sign on the corner of Highway 897 and the field belonging to Melvin Abraham. Abraham was generous to donate a piece of his land for the signs to be placed. "I only hope that the community and passersby take a good look at the signs and take

the message to heart when it comes to drinking and driving."

This was an idea that our school chapter wanted to do for some time and with the graduations of both our school and the one in Frog Lake upcoming, we thought now would be a perfect time to put up the signs in our community. We are just a small number in our chapter, but we are hoping to make a big difference in our community.

"Motor vehicle collisions are the leading cause of death and injury among Alberta's youth."

(S.A.D.D. Website)

Stoney Lake celebrates Farmers' Day the cowboy way

(Continued from Front Page)

Bar LD Ranch, Luc Tellier, Dylan Tellier, Evan Chalut and Deanna Lonsberry won the cattle sorting event with a time of 3:11 minutes and the ranch hand contest with a time 1:42 minutes.

The river rescue event is always a crowd pleaser. Two teams compete at the same time to "rescue" a stranded cowboy. Two members of the team are stranded cowboys. They stand on a barrel at one end of the arena. Another team member must ride their horse across a river, which is a blue tarp placed on the ground, pick up one or two of their team-

mates from the barrel and cross the river again on the return ride. The team Off in the Woods, Byron Lonsberry, Deanna Lonsberry, Cory Styba and Luc Tellier, won the river rescue challenge this year.

At the same time as the ranch rodeo, a pee-wee girls mid season ball tournament was taking place with five teams participating from Cold Lake, Bonnyville, St. Paul, Elk Point and Pierceland.

"It's just a nice play to go play ball," said Ron Wirsta, coach for the St. Paul pee-wee girls.

Shauna Burke photo

MJ Wowk, is hoping to rope a specific animal in the team doctoring event at the ranch rodeo held at Stoney Lake on Saturday afternoon.

Elk Point Elementary School SPRING PRE-REGISTRATION

WHEN: Wednesday, June 15 and Thursday, June 16 from 4:00 pm to 7:00 pm

WHERE: Elk Point Elementary School office. During these evenings you will be able to fully register your children for the fall 2011-2012 school year. All the necessary paper work will be done and you will be able to pay your child's school fees at this time or • use a post-dated cheque or • make payment arrangements with the office.

WHO CAN REGISTER DURING THE SPRING REGISTRATION? Students living in the Elk Point attendance area. Kindergarten – a child must turn 5 years old before February 28, 2012; students from Grade One thru Grade Six.

WHY REGISTER DURING SPRING REGISTRATION? Avoid coming into the school during the summer holiday. Fall Registration is: Tuesday, August 23. Registration time 8:30 am to 3:30 pm (not in the evening). Know what class your child will be enrolled in for the next school year. Spread out the back to school expenses.

IMPORTANT: AB Education has mandated that all students must have a birth certificate on file and an AB Health Care Number. If you have not previously supplied us a copy of these documents, please bring them with you to be photocopied.

Midget Sox defeat 15-year rivals from Grande Prairie

Let me take you back to last year's tier one midget baseball provincial final that we hosted at Bassett Field, of course. The Midget Sox suffering an embarrassing loss to Grande Prairie in the first game, in front of the home crowd right after the opening ceremonies. Of course the Sox would eventually bounce back, dig in, winning the next three games and go on to win the semi-final and then the silver medal. But they have never beaten Grande Prairie, anytime, anywhere in the Sox' 15-year history. Never, that is, until this past Saturday.

doug
BASSETT
Review Sports

The Sox met Grande Prairie Reds in their first game on Saturday in Edmonton at Callingwood Park, sending their ace Dylan "Juiced" Berg to the hill, Bergie shutting them down, with eight strikeouts, allowed only two base hits, and zero runs. The final 10 to 0 for the Sox in seven innings. Reliever Jordan Stacy coming in in the seventh to close this one out. Dylan Berg did very well at the plate too, hitting a double and a single and driving in two runs. Lead-off batter Tanner Corbeil with a double and a single, two singles and two RBIs for Kurtis "Knuckles" Nicholson.

In the second game of the day for the Sox, the boys playing a little too sloppy against Confederation Park, five errors in this one, but the game still remained close, Matthew "MC Hammer" Church on the mound to start this one, brother Lucas coming in on relief in the fourth, but the errors were now becoming costly, three runs scored off one hit in the sixth, Confederation taking a two-run lead. Bottom of the sixth, with two out, "Smoken Joel" Campbell would get one run back, with his solo shot over the wall in right field. This was the second out-of-the-park homer of the year for the team's leading slugger "Smoken Joel". Reliever, Kurtis "Knuckles" Nicholson coming in to close the top of the seventh, doing his job, three up, three down. Rally caps on in the dugout, the Sox down by one run going

to the bottom of the seventh, the boys would not surrender without a fight. With the tying run sitting on third and only one out, it looked good for the Sox to make a dramatic come from behind win, but two batters later the Sox would fail to score and lose their first game of the season 10 to 9.

The Sox bats were hot against the South Jasper Place Jays on Sunday when "Smoken Joel" Campbell pitched five complete innings, the Sox winning this one 16 to 2 in five innings. Three doubles for Tanner Corbeil, Jordan Nault and Jordyn "Tiger" Wozniak with two singles each.

The last game against the Stony Plain Royals saw the Sox going to innball pitcher Dustin Berg to start, "Bergie" going three innings, allowing two earned runs, the Sox then sending in Brett Mitchelmore to close, Sox winning 12 to 6, Kyle "the Kid" Corbeil with two singles and two RBIs.

Down in the peewee division this past week some nice plays by first baseman Caleb MacKinnon snatching a hot grounder down the line. Some fine pitching by Eric Stuparyk, Austin "Ozzie" Stafford, Ross "Rosy" McGillivray and Ethan Tremblay.

The Mosquito boys played Bonnyville on June 7 and lost 17-11. They played an excellent game but lost out in the final inning after being tied up the inning before. They also played Bonnyville on June 9, this was a short handed game due to the Grade 5 camp at Whitney Lake. Elk Point played with seven players from our team and had to pick up young Liam Ludlage to come in and give them the eighth player so they didn't have to take the out. Liam did very well, scored one run and seemed very comfortable out there. Garrett McGillivray went four for five with three runs scored. Graham Stuparyk went four for five also with four runs being scored. Dustyn Pankiw went four for five also with four runs coming in, he also got a great double play done by himself with a catch and a tag at second base. Cody Fairbairn, Angus McFarlane, Hayden Ludlage and Kaiden Evans-Anderson also played well. Elk Point beat the Bonnyville team that had beat them on Tuesday by one run this day, final score 13-12, with this short handed roster. It was a great game.

The Mosquitoes also played a one day tourney at Elizabeth Settlement on Saturday. Their first game was against the home team and Elk Point played an excellent game, losing by one run (11-10). Short handed again in this game, Elk Point picked up Eric Stuparyk to play to fill an open centerfield, another big game from the pitchers. Hayden sat the first three batters down, Dustyn limited the runs in his inning to one, and Alex Hunter came in the open inning to close out the game with three quick outs, only one run came in, so a great job. Hayden, Kaiden and Dustyn played some great backcatching.

The next game in the tourney was against Cold Lake. This game was a great game also and Elk Point won 17-5.

RCMP, rural residents hope to start Rural Crime Watch

By Cpl Kevin McGillivray
Elk Point RCMP

Elk Point RCMP, along with rural residents in the surrounding area, are joining forces in an effort to establish a Rural Crime Watch Program.

Rural Crime Watch is a cooperative community effort aimed at reducing crime in rural Alberta. It is based on the observation that crime is least likely to occur in a community where people are alert to the potential for crime, are willing to look out for each other and will work closely with their police force. This program enhances property securi-

ty, property identification and citizen awareness, and reporting of suspicious matters to the authorities. The goal of Rural Crime Watch is to reduce the number and frequency of rural crime of all types.

The Rural Crime Watch Program has been in effect in Alberta since 1979 and currently has 98 groups with approximately 24,000 members.

An informational meeting is being held at the A. G. Ross Arena on Tuesday, June 21 at 7:00 pm. If you have an interest in the program, or would like additional information, please attend the public meeting.

Community Lions clean, plant

By Sandie Bishop
Elk Point Community Lions

Members of the Community Lions of Elk Point cleaned the flower beds and planted on Thursday night. Despite the threat of rain, they man-

aged to fill four flower boxes downtown, as well as the bed on the corner by the Co-op, the planters by the FCSS, and the planter in the Welcome sign at the south end of town.

The EDC of the Town of Elk Point is very interest-

ed in beautifying Elk Point, and pledged money to support planting flowers, as well as for new planters for next year. Any suggestions for new beds, planters, or for suitable plants will be entertained by either group. The trip of the month

draw was held on Friday, May 27. The winners were: New York trip - Crystal St. Arnault of St. Paul; 2nd prize - Lori Poitras, Elk Point; 3rd prize - Betty Anne Alexander, Bonnyville.

Mosquitoes do well at tournament

(Continued from Page 9)

Dustyn Pankiw made another great double play with a great fly ball catch and a tag on first base for two outs. He also hit a grand slam with all three of the prior batters, Hayden, Cody and Kaiden coming in also with Dustyn. Brayden Fairbairn made a great diving catch for an out, which saved a run from coming in. Angus McFarlane, Brayden and Alex all pitched very well to keep the run count down. Kyle Smith was very sharp with a walk to first with some good eyes to swing at the balls, and some great stealing and

made it all the way around to score a run. Elk Point scored nine runs in the open inning. Graham Stuparyk put the catcher pads on and did a great job. Great job by the coaches Darcy and Sheana Pankiw.

The Mosquito League Final tournament is on June 25th in Elk Point and everybody is welcome to come on down and watch some great ball.

And now for the K.A.Campbell quote of the week. - "Correct thinkers think that "baseball trivia" is an oxymoron: nothing about baseball is trivial." Last week's answer to - "It hap-

pens in a thousand diamonds in so many different towns and villages. We pass them on the highway, these summer roadside attraction. Games played full of meaning for a few spectators and players and on no consequence to anyone else- never to be recorded. We reclaim them only in our memory and I suppose in our continuing fascination with this great game. It may not be life itself, but it sure feels like it." - William Humber

What P.U.P.'s doing next

By SARA HOCHACHKA F. G. Miller P.U.P.s

We started work on the animal shelter on June 1. Shane Germain has donated his time and expertise to guide us on this project along with Curtis Porcina from Rona donating materials needed to complete the upgrade!

We also started on the courtyard beautification on June 4, building picnic tables to put in the courtyard for students and staff to enjoy.

Mr. Shankowski kindly offered to cut the materials for us and help the students put the picnic tables together.

"What you leave behind is not what is engraved in stone monuments, but what is woven into the lives of others"

- Pericles

St. Paul Education

REGIONAL DIVISION NO. 1

PART-TIME CUSTODIAL HELPER

required for

ELK POINT SCHOOLS

A part-time custodial helper is required for the Elk Point Schools. The successful candidate will be required to fulfill all outlined duties pertaining to the operations, basic maintenance and day to day janitorial services for the facility. The position will commence as soon as possible at a wage of \$14.54 per hour for 6 hours per day with extra hours for Christmas, Easter and summer holidays. The successful candidates may qualify for benefits. For information regarding duties and hours of work please contact Ms. Gloria Lecopoy, Head Custodian at 780-724-3880.

Complete resumes, including references, should be forwarded to:

Mr. Doug Fedoruk

Director of Facilities & Transportation

St. Paul Education Regional Division No. 1

4313-48 Avenue, St. Paul, AB., T0A 3A3

Telephone: 780-645-3323; Fax 780-645-5789

In accordance with Board Policy, the successful applicants will be required to provide a current Criminal Record Check.

We thank you for your interest, however, only those applicants selected for interview will be contacted.
